Governance

Council adopted its current Integrated Planning and Reporting Framework on 15 June 2022. The Framework is applicable for the period 1 July 2022 – 30 June 2025. The term was reduced to 3 years instead of 4 years across the sector due to the impact of the deferral of the scheduled September 2020 local government election. This occurred in response to the COVID19 pandemic. The cycle at the time was extended from 4 years to 5 years which then required the following cycle to be shorter to resynch with the timing of the 2024 local government election.
